## MEMORANDUM

03/22/2019

Greetings from the Santee Sioux Nation of Nebraska,

On behalf of the people of the Santee Sioux Nation, the Chairman and Tribal Council would like to thank all of those who have contributed to the recovery effort from the flooding and storms that affected the Santee Sioux Nation. The generosity shown to the people of the Santee Sioux Nation has warmed our hearts and has been a source of great blessing to our people. We cannot express our gratitude enough. Due to the generosity expressed, we are able to announce that we no longer have the need to accept donation of perishables, clothes and water.

The tribe continues to assess the damages from the flooding and the storm while clean-up efforts are ongoing. The tribe has incurred expenses related to the restoration of services and some expenses for damages remain unknown. For this reason, the tribe will continue to accept monetary donations.

Please know that the Santee Sioux Nation remains committed to the appropriate use and accountability for all donations received.

Pidamiya (Thank you),
